Blue Water Party Rentals is now entering our sixth year, growing steadily and continuing to impress clients with their quality inventory and their thoroughness.

Karen Gitter, owner and CEO, brings 19 years of catering and event planning expertise (formerly of Karen Gitter Catering & Events) to Blue Water Party Rentals. Since she has been in the catering business herself, she profoundly

understands the professional approach and follow-through that is so essential in a rental company.

*Karen always stresses, “I want to always address the needs of the client and the caterer.” Her business model is to focus on “superior customer service.”*

Blue Water Party Rentals is also working very hard to be as eco-friendly as possible. All paper & cardboard, as well as our hangers are recycled. Our plastics bags for linens are made from 100% recycled material and are 100% biodegradable. We encourage our customers to use these bags to line the provided milk crates to return the dirty dishes. We recycle all our bags & garbage, and our laundry and dish departments use eco-friendly soaps.

A few features of the company include:

- Brand New Equipment with inventory routinely added
- No last minute change fees
- Competitive pricing
- Terms extended upon approval of credit application
- Order forms in excel or access database format

For your convenience, please contact the staff for order forms, available in excel spreadsheet or access database file format.
